

RECOVERY COMMUNITY
ORGANIZATION

SOS's Recovery Friendly Workplace team is dedicated to providing continued supports to your employees and their loved ones during these uncertain times...

Community and connection are essential for some individuals to maintain their recovery from substance use disorder. During a time where social distancing is becoming a necessity, all of us at SOS Recovery Community Organization are working very hard to continue to provide recovery supports. These supports include:

Telephone recovery supports

In need of recovery support VIA a phone call check-in?
